APPENDIX B ZONING

Sec. 512. Basketball backboards

The installation and/or maintenance of outdoor basketball backboards in the R1 district shall be governed by the provisions of this section and they shall not be installed or maintained except in conformity with the following regulations:

- a.) A basketball backboard may be affixed to the wall and/or roof of any permitted building.
- b.) A freestanding pole or post mounted basketball backboard may be placed anywhere in the rear yard or in the 1/3 of the required open space at the front or side of a dwelling which is nearest to the dwelling, but not within seven (7) feet of any side lot line.
- c.) No more than one (1) basketball backboard may be maintained on any one lot.
- d.) Lawful prior nonconforming structures and structures conforming to the revised regulations of this section shall be registered by the building official without charge and may be maintained without any change. All other basketball backboards must be removed or relocated to conform to these regulations by August 1, 1990, unless its continued nonconformity is approved as a variance or deviation by the board.
- e.) No person shall hereafter install or relocate a basketball backboard without first obtaining a special permit.
